Office Parking Options

Free Parking

Looking at the map below, the blue lines indicate areas where you may be able to find a free parking spot. In my experience, your best bet (if you don't mind walking a few blocks) is to start driving down Darlington from Chestnut Street, and keep driving until you find a spot somewhere on the left.

Metered Parking

Looking at the map below, the green lines represent areas where you can park on the street and need to pay the meter. The two green rectangles are lots that have metered spaces. The one that is directly across N Darlington Street only has a few metered spaces, the rest are by permit only.

Parking Meters can be paid for with the Passport phone app (there is a small service fee) or by using QUARTERS. The meter does not take any other forms of change or bills.

Cost is \$0.75 per half-hour, with a 3-hour limit, during the following times:

- Monday thru Wednesday 8am-10pm
- Thursday & Friday 8am-12am
- Saturday 5pm-12am
